

Your Representative Voted to Destroy American Jobs

Important Union Message

**Don't Take It.
Take Action.**

Representative,

Now that you've sold out workers by voting to Fast Track the trade deal, how do you plan to protect my job from being shipped overseas or keep my wages from shrinking?

You put corporate profits ahead of the people you were elected to represent.

Here's the deal. I'm your constituent. I supported you in the past, but if you won't look out for my job, I won't look out for yours.

Donald, Your Representative, Earl Blumenauer, Voted to **Fast Track the Job-Killing Trade Deal.**

Blumenauer knows that past bad trade deals have shipped millions of our jobs overseas and slashed wages. But he still voted to Fast Track the new Trans-Pacific Partnership trade deal.¹ Enough is enough. It's time to hold Congress accountable and elect leaders who will stand up for American workers.

Tell Earl Blumenauer: Bad trade deals have cost American workers our jobs and driven down our wages. If he won't protect our jobs, we'll elect someone who will.
