

Refresh Pivot Table and adjust filters and Categories Included Accordingly - then drag down the formulas starting in Column H

Hide extra columns

Troubleshooting - Make sure all "Values" columns in the pivot table are summing rather than counting and are all category names that end in "Score"

Double-Check - Grand Total Row should match "Total Offeror Points" in "Presentation Evaluation" tab

Evaluation Category	Evaluator	Sum of P&C Construction Company - Score	Sum of Swinerton Builders - Score	Sum of Todd Construction, Inc. - Score
A. Key Personnel Experience	Evaluator A	22.75	24.5	22.75
