Fundraiser for Jeanie Diaz's family

Hello, this is a fundraiser to support Jeanie Diaz's family while they grieve her sudden loss from their lives. She was a loving mother to two beautiful girls, ages 5 and 8, and a wonderful, caring wife of nine years.

A devoted Youth Librarian in the Multnomah County Library system for more than seven years, Jeanie touched countless lives and families with her fun story times and engaging community events. Jeanie was also an accomplished visual artist and under the name Four Sided Friends, she produced hundreds of colorful, intricate, patterned pieces and held many shows around Portland.

Visit the family's GoFundMe site at bit.ly/44vT6HI. Donations

made through that fundraiser will directly support her family through this difficult time when arrangements are being made to celebrate Jeanie's life and enduring memory.

Please also share your remembrances of her with others,

however small and fleeting you might think it was. Every interaction meant so much to her, and she was the most excited to let you know that every time.

We thank you from the bottom of our hearts!
